BIOCURA (SWITZERLAND) GmbH i.G.  
Buegelerweg 2  
CH - 8854 Galgenen  
Switzerland

Frankfurt/ Main, 10 January 2011

## Confirmation

FiBL Germany hereby confirms that the agricultural supplement:

**„BIOCIN-F“**

manufactured by the company:

**BIOCURA (SWITZERLAND) GmbH i.G**  
Buegelerweg 2  
CH - 8854 Galgenen  
Switzerland

is listed in the “2011 Input List for Organic Farming in Germany”.

The product **„BIOCIN-F“** is also listed as such in the official list of “Plant Resistance Improvers and Adjuvants of the German Federal Office of Consumer Protection and Food Safety (list no. 6746-00)” which is a precondition for the use in organic farming in Germany.

The listed product was evaluated in accordance with the Regulations of the European Community legislation for organic farming (Reg. EC 834/2007 and 889/2008) as well as in accordance with the German special law with the result that it can be used in organic farming in Germany.

This confirmation is valid until 15 February 2012.
